**PART D - EXPLANATION OF ACCOUNTING PRACTICES FOR LATE MANDATED CATEGORICAL PAYMENTS**

(For School Districts who report on an Accrual/Modified Accrual Accounting Basis only)

School districts that report on the accrual/modified accrual basis of accounting must identify where late mandated categorical payments (Acct Codes 3100, 3120, 3500, 3510, 3950) are recorded. Depending on the accounting procedure these amounts will be used to adjust the Direct Receipts/Revenues in calculation 1 and 2 of the Financial Profile Score. In FY2021, identify those late payments recorded as Intergovernmental Receivables, Other Receivables, or Deferred Revenue & Other Current Liabilities or Direct Receipts/Revenue. Payments should only be listed once.

This may require the FY2022 annual budget to be amended to include a Deficit Reduction Plan and narrative.</i>                                                                                                                                                                                                      |                       |                                    |                          |                        |                   |
| 3  | The "Deficit Reduction Plan" is developed using ISBE guidelines and is included in the School District Budget Form 50-36, beginning with page 22. A plan is required when the operating funds listed below result in direct revenues (cell F8) being less than direct expenditures (cell F9) by an amount equal to or greater than one-third (1/3) of the ending fund balance (cell f11). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years. |                       |                                    |                          |                        |                   |
| 4  | - If the FY2022 school district budget already requires a Deficit Reduction Plan, and one was submitted, an updated (amended) budget is not required.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                       |                                    |                          |                        |                   |
| 5  | - If the Annual Financial Report requires a deficit reduction plan even though the FY2022 budget does not, a completed deficit reduction plan is still required.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                       |                                    |                          |                        |                   |
