**ELA:** Mrs. Lange, Mrs. Lawler, Mrs. Roberson & Mrs. Whigham

We are continuing to build upon our skill set of literary elements. We are now implementing our knowledge to short fictional stories. Please ensure your students are completing their assignments posted on Google Classroom and check their grades and attendance in PowerSchool frequently.

**MATH:** Mrs. Green & Mr. Holloway

We are continuing to work on analyzing linear equations & starting to use functions to model relationships. If students are in need of extra assistance they can come to our Office Hour Zoom from 2:00 - 2:40. The Link can be found in Google Classroom. Please check PowerSchool for grades.

**SCIENCE:** Ms. Duffy & Mr. Sorellino

We are continuing to work through our Harnessing Human Energy Unit. During this week, students built their individual designs and presented them to the class. Our test on this unit will be in the coming weeks. Please check PowerSchool often to get grade and assignment updates

**SOCIAL STUDIES:** Mrs. Epich & Mr. Kraig

We are continuing to work through our study of the Constitution. We are finishing up our unit on the Executive Branch. Our test will be in the coming weeks. We will then move onto the Judicial Branch. Students will also be participating in a mock presidential election this month. Please check PowerSchool often to get grade and assignment updates.

#### **SPECIALS:**

In Journalism, students are currently engaged in a math review for the PMSA entrance exam test.

Mrs. Withers-Art Specialist: Note to parents of my students. Please pick up art supplies for your child at school Mon., Tues., Thurs., or Fri. between 1-3pm

Music, we will be jumping into the creation of sound effects. Students will begin their journey to becoming a Foley Artist.

Physical Education: Ms. Garland & Coach White: We are continuing with our exercise videos and stressing the importance of exercising & eating healthy everyday!

In Mrs. Heflin's Art Class this month we will continue to explore our own creative abilities and problem solving skills. We will be investigating how artists use tools such as line and color to create meaningful works of art. If any of my students are in need of supplies, please reach out; we will get them what they need to be successful. Let's be creative together! Email: [mheflin@sd88.org](mailto:mheflin@sd88.org)

**Ms.. Parrott**
