

BULLDOG NEWS

RMS - 8th Grade

CALENDAR EVENTS

ELA: Mrs. Lange, Mrs. Lawler, Mrs. Roberson, and Mrs. Whigham

The ELA department would like to say Welcome Back and thank you for being patient this year. We are currently discussing Story Elements and Sentence Structures for our first unit. Please be sure your student can log into their online textbook. All of your student's assignments will be posted in Google classroom and please check power school regularly.

MATH: Mrs. Green & Mr. Holloway

Welcome to 8th Grade Math! We are excited to be back with our students and have enjoyed getting to know them. Our first unit is Analyze & Solve Linear Equations. Please check for assignments in Google Classroom & grades in Power School on a regular basis.

SCIENCE: Ms. Duffey, Mr. Sorellino

Welcome back to science! We'd like to thank all our students for their enthusiasm and patience as we start our first unit, Harnessing Human Energy, with a variety of online and hands-on tools. Student materials and assignments will all be available through google classroom.

SOCIAL STUDIES: Welcome back!

Mr. Kraig and Mrs. Epich have enjoyed getting to know your child during the first weeks of school! In the next few weeks we will continue learning the Federal Constitution. Please make sure your child has a copy of their *Federal Constitution* book. This was given out at supply pick up.

Ms.Parrott, Ms. Easton:

We are here to provide your child with the best possible education. During these unusual conditions, we are working hard to adapt to these circumstances, but together we will make it through. We are asking for your patience and understanding. We have been assessing the students and reviewing forgotten skills and concepts.

ELA-We are working on sentence structure

Math-We are working on place value, comparing greater numbers

Science-We are working on the structure of living things and factors influencing growth.

Reading-We are working on vocabulary, main idea, character traits, cause and effect relationship, comprehension and the other components of reading.

Social Studies-We are working on The Early Americas and European Exploration.

In **Visual Arts** with Mrs. Heflin and Mrs. Withers, students will be introduced to The Fine Arts and Design. We will be promoting emotional wellness and the development of original work, problem solving and creative thinking.

In **Journalism** with Mr. Williams, students are currently writing news stories using the journalistic writing process. Soon we will begin our math review for the PMSA entrance exam

In **Physical Education** with Ms. Garland & Coach White, we are stressing the importance of daily physical activity to keep our students healthy..

This month in **Music**, with Mr. C. Williams, we will be learning about the career of a Foley Artist. We will be using a platform called BandLab to dive into sound effects.
