“Every Student Matters, Every Moment Counts”

Thank You!

Scholars and Parents, on behalf of the teachers and staff, I would like to express our sincere appreciation for your help in making the remote learning platform successful. This unexpected way of learning has not been easy however, with patience, dedication, and optimism, we are making good progress.

Scholars, please continue to sign-in on time and attend and participate in all classes. Attendance is taken for every period and it is important that you are present, with your screens on, and participating. Be sure to complete and submit any missing assignments. Report cards go out on November 24th.

GRACIAS!!

Padres y académicos, en nombre de los maestros y el personal, me gustaría expresar nuestro más sincero agradecimiento por su ayuda para hacer que la plataforma de aprendizaje remoto sea un éxito. Esta inesperada forma de aprender no ha sido fácil, sin embargo, con paciencia, dedicación y optimismo estamos avanzando a buen ritmo.

Estudiantes, continúen registrándose a tiempo y asistan y participen en todas las clases. La asistencia se toma para cada período y es importante que esté presente, con sus pantallas encendidas y participando. Asegúrese de completar y enviar cualquier tarea que falte. Las boletas de calificaciones salen el 24 de noviembre.

Let's Talk

As we near the end of the 1st quarter, now is a good time to review our services and practices. We want to continue to keep the lines of communication open between home and school with your feedback. Please take a few minutes to help us understand how we can best support your child's current academic /social/emotional needs during remote learning. Please fill this out for EACH child in your family. We plan to administer more surveys in the future, targeting different areas. Thank you so much for your attention and participation. We will be sending a survey through Google Classroom and remind. As we continue into 2nd quarter, we would like to incorporate parent input and feedback to enhance the learning and instruction for all students.

Hablemos

A medida que nos acercamos al final del primer trimestre, ahora es un buen momento para revisar nuestros servicios y prácticas. Queremos seguir manteniendo abiertas las líneas de comunicación entre el hogar y la escuela con sus comentarios. Tómese unos minutos para ayudarnos a comprender cómo podemos apoyar mejor las necesidades académicas / sociales / emocionales actuales de su hijo durante el aprendizaje remoto. Por favor complete este formulario para CADA niño de su familia. Planeamos administrar más encuestas en el futuro, dirigidas a diferentes áreas. Muchas gracias por su atención y participación. Enviaremos una encuesta a través de Google Classroom y se lo recordaremos. A medida que continuamos en el segundo trimestre, nos gustaría incorporar la opinión y los comentarios de los padres para mejorar el aprendizaje y la instrucción para todos los estudiantes.
